

Objections To Traffic Regulation Orders

1. Any person may object to the making of an order by the date specified in the notice of proposals or, if later, the end of the period of 28 days beginning with the date on which the order making authority has complied with all the requirements.
2. Objections will be accepted up to 3 days after the end of the objection period to allow for postal delays, provided they are dated and posted within the objection period.
3. If objectors wish to write further or submit further evidence they may do so provided that they:-
 - (a) Write and object to the proposals during the objection period;
 - (b) In their correspondence clearly state that they will be submitting further representations and the type of representation that they will be submitting. If an objector requests permission to submit a letter and then produces a petition this will not be accepted.
4. If objectors wish to submit a petition they may do so at any time during the objection period. If they wish to submit a petition outside the objection period they must indicate in writing during the objection period and state that their petition will be submitted outside the objection period.
5. County Council officers may, if they consider it necessary, impose a further deadline by which additional representations or petition must be sent to the County Council.
6. Objectors may withdraw their objections at any time by written instruction. However, once an objector has withdrawn the objection by written instruction that objection may not be revived at a later date.
7. All objections, petitions and supporting evidence received in accordance with these guidelines will be considered as objections and will either be considered under officer's delegated powers or presented to the relevant Sub-Committee or Committee of the County Council.
