

Statement of Reasons

The Surrey County Council (Ash Green Lane West (Right of Way No. 518, D80) and Spoil lane (Right of Way No. 519, D74) in the Parishes of Ash, Normandy and Tongham) (Prohibition of Through Traffic) Amendment Order 2017

Planning permission has been granted for a new housing development on land south of Right of Way No. 518, which requires vehicular access from the Right of Way. The access to the development will be from Right of Way No. 518, from between its junction with Right of Way No. 519 and point 'E' on Drg. No. 3/1/54/H22. The developer will construct a surface suitable for vehicular traffic to the satisfaction of the highway authority from point 'E' in a westerly direction. The existing Prohibition of Through Traffic Order made in 1994 relating to the section from point 'E' westwards is not affected by this Order. The existing barrier will be repositioned to point 'E' to prevent motorised and horse drawn vehicular use from that point in an easterly direction.
